## The tradition of fairytale weddings in Bled

---

Many couples are completely enchanted and enthralled by Bled the moment they first set foot in it. You will be enthralled by its hidden and not-so-hidden corners – the perfect wedding photograph locations that you will remember for a long time to come. You will be enthralled by the fairytale nature of Bled with its emerald Alpine lake and charming little island and by the “pletna” boat ride to Bled Island, a truly unique experience.

Most of all, you will be charmed by an old Bled wedding custom . According to tradition, the groom has to carry the bride up the 99 stone steps to the church to ensure a happy marriage. At the top, the bride and groom ring the wishing bell, and their most secret wish will come true.

Throughout history, the most eminent guests have stayed at Grand Hotel Toplice.
